PRESIDENT'S MESSAGE

Hi Fellow PROBUS Club members,

Well, it looks like the fall weather is finally upon us, and we all know what follows that.

Members of our management committee get asked on occasion by some new members, and some of our existing ones as well, about how to meet people and make friends in the club. Sometimes new members find that the monthly club meetings do not offer much opportunity to do that.

Actually, the most effective way to meet people in the club and have a conversation beyond a couple of minutes is to join in the various social activities and interest groups of the club. And particularly any activity with food involved (for example breakfast/lunch/dinner interest groups, wine tasting groups, social activities offering lunch or dinner, etc.) is usually a wonderful opportunity to spend a few hours of conversation with other members. Likewise card groups, bowling, art interest group, bus trips with members, etc. also allow one to talk with other members who have similar interests.

If you feel you're having a difficult time meeting members, just let a management committee member know, and we can usually assist with introductions. For those attending any of the monthly club meetings, remember that a number of us get together immediately after the meeting in the patio room of Colonel Mustard's Restaurant for lunch with an open invitation to all club members (and you don't even need to tell us you're coming). Some of the members regularly attend and some do so on occasion, but everyone

seems to really enjoy the get-together.

One other item of note – Janet and I are planning to travel to the heart of the Burgundy wine region of France next September, and we'd like to invite any club members who want an interesting and relaxing adventure to join us. We'll be using the beautiful medieval town of Beaune as the hub as we branch out to various wine tastings, vineyard walks, cooking classes, chateaus, historic sites, etc. in the area. More information is included below under the travel heading.

Happy Thanksgiving to all!!

Other facilities in Uxbridge and Port Perry will come onboard in the Fall. Volunteers will require a vulnerable sector police check and a recent (within 6 months) TB test. If you are interested in reading (even one hour every other month) or learning more about the project, please contact **Lucy Black** at olive@michaeltblack.com

Membership List

The Membership List, in whole or in part, is not to be used for commercial or other purposes, or provided to any other party without the prior written permission of the Membership Chairperson or the PROBUS Club of Port Perry.

Thinking of Volunteering?

The success of the PROBUS Club of Port Perry is attributable, to a large extent, to our wonderful volunteers. They work hard to provide you with a variety of Social and Interest Group activities and provide back-of-house services at monthly member meetings. One of the things that is always a challenge with volunteer organizations is to prevent "volunteer fatigue". One of the ways to help avoid this is to expand the volunteer base. More help, less work per volunteer!

If you are interested in any volunteer opportunities (especially as an Interest Group Coordinator), please contact any member of the Management Team and we can direct you to the appropriate person.

Thank you.

PROBUS INTEREST GROUPS

Thanksgiving is right on the horizon. What better way to celebrate this season than by joining an interest group and getting out to have fun with friends?

Making new friends is much easier if you get involved in an activity

together. Our Bowling Coordinators' report that the group continues to expand as new bowlers join in each month.

Why not give something like that a try this month?

Gail Johnson Morris

More new interest group opportunities!

MODEL BOATS • CREATE & CHAT • WINE TASTING II

Please sign up at our next PROBUS meeting.

To make room for the Bountiful Harvest setup, we won't have Interest Group sign-up table at our October PROBUS meeting. To get in touch with the coordinator of the group you are interested in, check the newsletter listing below or find them on our website.

We have 34 active groups and potential groups on offer! For those who are thinking about starting up an interest group, we provide a lot of assistance to help you through the process. To get rolling, simply confirm a group coordinator that will email your group reminders for when/where the next meeting is and any necessary reservations.

Test Drive Option: if you want to try a group, contact that group coordinator to find out how the group operates, its schedule, and any other questions you may have. Taking a 'test drive' is a terrific way to meet some new folks and have fun.

If you would like to participate in any of the above groups or coordinate one, please let Gail know at interestgroups.portper-ryprobus@gmail.com.

Count on Gail to have sign-up sheets at our monthly PROBUS membership meetings.

Current interest group updates:

NOTE - in the case of all Interest Groups, if you have questions or wish to join, please contact the Coordinator

Judy Anderson

This group continues to meet on a weekly basis on Tuesday afternoons. Now that the basics of bidding and play of the hand have been covered, we've moved to a shuffle and play format. This allows the group to feel comfortable with playing traditional kitchen bridge which incorporates scoring. Occasional discussions come up regarding bidding, but for the most part players have become independent. Although our group is currently full, Judy anticipates adding new members in the new year.

FOODIES!

Melodie Scott

bmgscott101@gmail.com • 905-767-1505

Our group met for the first time on Sunday to discuss and plan how to proceed. We will be exploring everything about food with our mantra being "more eating than cooking". The decision was made to meet quarterly. As we are meeting at each other's homes we have decided to close the group to ensure we have enough room to accommodate cooking at each other's homes. We can revisit this if we find we can accommodate more members. Our first food-focused meeting will be Saturday January 11th at Brenda Mann's home. For this get together we have decided to have 3 members bring soup, bring appetizers and finish off with one desert. We will each bring a copy of our recipe to share with the rest of the group. While there we will plan and set a date for the next meeting. We are all looking forward to our first adventure together in eating & cooking!

Denise and Cathy maintain the Singles' Group member list which is shared amongst all Singles' Group members. Group members are encouraged to follow Denise's lead and suggest an activity and go ahead to invite other group members to join them.

Potential activities include:

- meeting for breakfast, coffee, lunch, afternoon tea or dinner, either at a restaurant or in someone's home
- studio, house or garden tours
- concerts, theatre, movies, dances
- sporting events
- walking or more strenuous sports
- visiting tourist attractions (parks, museums, galleries)
- visiting towns for shopping or specialty markets
- overnight trips
- vacations

Here are the events coming up at Town Hall 1873:

• **Renovations –**

**October 10, 11, 12, 17, 18, 19 at 8:00 p.m.,
Matinees on October 12 and 19 at 2:00 pm.**

This play, presented by Borelians Community Theatre, opens October 10 for 2 weekends. This is a hilarious and heartwarming story of Brent and Jenny, a young couple in the midst of renovating an old Victorian house in a small southern Ontario town. On the surface, all seems well ...they are still madly in love, Jenny's dad is lending a much-needed hand and they are meeting the neighbours; but there are cracks in more than the plaster. Soon, both the past and the future begin to exert more pressure. Is the foundation strong enough to withstand the weight?

Please email Judy if you are interested in a group rate ticket.

Group rate: 6 or more people pay \$20 each. Bring a cheque to my table at the next meeting.

WINE TASTING I

Jim Adamson

Our wine tasting group meets monthly at a member's home for an evening of tasting various wines combined with appropriate pairings. Our September gathering featured a Spanish theme, with wines predominantly from the Rioja region in northern Spain. The group thought that other Probus members might like to try our "pick of the evening". We chose Cerro Añón Reserva 2014 "Part of an impressive range from this large winery, the Cerro Añón Reserva marries Tempranillo with 20% Graciano and Mazuelo and spends 20 months in American and French oak. It's a fresh, well-balanced style with fine tannin management and some sweetness from the oak. Highly drinkable. Drink Date: 2018-2023. Score - 91." A picture of the Cerro Añón Reserva is shown on the Photo Gallery page.

BEAUNE, FRANCE

Early September, 2020

Janet and Tim Casey are planning a week-long visit to the Burgundy wine region of France early next September and are inviting interested PROBUS Club members to join them. They will be returning to the beautiful medieval walled town of Beaune and use that as a base to explore the many vineyards, wine tasting opportunities, cooking classes, chateaus and historic villages and sites throughout the area. The weather at that time is normally quite temperate, the crowds are gone and the grape harvest is just coming in, so it's a wonderful time to visit this land of iconic Chardonnays, Pinot Noirs and Chablis.

Beaune is famous in its own right for its great food and wine with numerous Michelin award restaurants. It also has a variety of wine cellars, museums, galleries, art shows and shopping opportunities in addition to a lot of history in this 2,000 year old town. And if you're interested in possibly extending your stay to perhaps visit one of the other fascinating regions bordering Burgundy, or if you'd like to spend some time in Paris, the Casey's can help provide some advice on that as well.

Contact Tim Casey at timcasey22@gmail.com or 905-985-3991.
